Welcome to Smallville Season 11 Interactive Story Game! Let's begin.

Clark Kent is faced with a difficult decision. After saving his childhood friend and love interest, Lana Lang, from being trapped in the Phantom Zone for years, she is now in danger from a new threat. Meanwhile, his best friend, Chloe Sullivan, uncovers a sinister plot involving Lex Luthor's return.

Option 1: Clark decides to focus on protecting Lana and enlists the help of the Justice League.

Option 2: Clark confronts Lex Luthor and tries to stop his plans.

Option 3: Clark decides to take on both threats and divides his time between protecting Lana and stopping Lex.

Choose your path.

Clark contacts the Justice League for help in protecting Lana from the new threat. The team convenes at the Watchtower to discuss their plan of action. They discover that Lana is being targeted by a group of aliens who were also trapped in the Phantom Zone and escaped when Clark opened the portal to retrieve her. The aliens seek revenge on Lana because she was the one who helped Clark escape from the Phantom Zone.

Option 1: The Justice League decides to launch a preemptive strike against the aliens.

Option 2: The Justice League decides to go undercover and gather more information about the aliens before taking action.

Option 3: Clark decides to go to the Phantom Zone and confront the aliens there.

Choose your path.

The Justice League decides to go undercover to gather more information about the aliens' plan before taking action. Chloe uses her journalistic skills to find out more about the aliens while Clark and the rest of the team attempt to blend in with the crowd at a nearby alien bar. They discover that the aliens plan on using a weapon to destroy Lana and anyone who stands in their way.

Option 1: The team decides to destroy the weapon before it's activated.

Option 2: The team decides to launch a surprise attack on the aliens before they can harm Lana.

Option 3: The team decides to negotiate with the aliens to spare Lana's life.
