You choose the green door and as you enter, you find yourself in a lush, green garden-like room. You can see plants growing everywhere and the air is rich with their scent. As you wander through the garden, you come across a table filled with various fruits. What would you like to do? Option 1: Eat the fruits Option 2: Continue exploring the garden Option 3: Leave the room and check out another door

As you explore the garden, you come across a strange-looking plant. It has a bright red flower that seems to pulsate with its own light. Suddenly, the flower opens up, revealing a small, glowing crystal inside. As you reach out to take the crystal, the plant suddenly lashes out at you with its tendrils. What will you do? Option 1: Fight off the plant with your bare hands Option 2: Run out of the room and check out another door Option 3: Look for something to defend yourself with in the garden

You quickly run out of the room and find yourself in front of another door. This one is purple and seems to hum softly. As you step closer to the door, you realize it's emitting a strange energy that seems to be drawing you towards it. What will you do? Option 1: Try to resist the energy and walk away from the door Option 2: Touch the door and see what happens Option 3: Use a random object you have to try to disrupt the energy field around the door

As you touch the door, you suddenly get sucked into a vortex that takes you to a different galaxy. You are now on an alien planet with no means of getting back to the spacecraft. However, as you look around, you see several alien lifeforms staring at you. They seem curious yet apprehensive about your sudden appearance. Option 1: Try to communicate with the aliens Option 2: Run away and try to find a way off the planet Option 3: Observe their behavior and try to learn more about them
